

## *Cascade View Homework Philosophy*

*WE, as a staff at Cascade View Elementary, believe that homework is an essential part of every child's educational experience. Cascade View teachers use homework to:*

- Review / practice concepts taught in class*
- Preview new concepts*
- Inform parents of the work happening in class*
- Evaluate effort*

*Because homework plays such an important role in our instructional decisions, there may be consequences for those students who do not complete their assignments. These consequences can include adversely impacted effort grades on report cards and the loss of school privileges. We appreciate your support and efforts to help every child be a successful learner.*
